- Complete weekly community chores.
- Observe nightly house curfew of 5:30pm.

- Violation of program rules is subject to disciplinary action or dismissal.

We thank you for inquiring about the Miracle Center program. Our procedure for entry is as follows:

- Upon receiving the applicant, the applicants name is placed at the bottom of the waiting list. Please send the application back as soon as possible.
- Once we receive the application, the applicant will be notified of bed availability. If there are no beds available, the applicant must continue to call or write us in order to stay on the list. If we have not heard from you in 45 days, we will remove you from the list.
- When a bed comes available the applicant will be contacted to come in for an interview. Getting an interview does not mean that the applicant has been accepted into the program. It is the next step on our screening process.
- Once an applicant has been interviewed, we will discuss and pray over the request and a decision will be made within a few days. The applicant will then be notified as to acceptance.
- If the applicant has been accepted into the program, an intake date will be set.
